

How to share a ticket

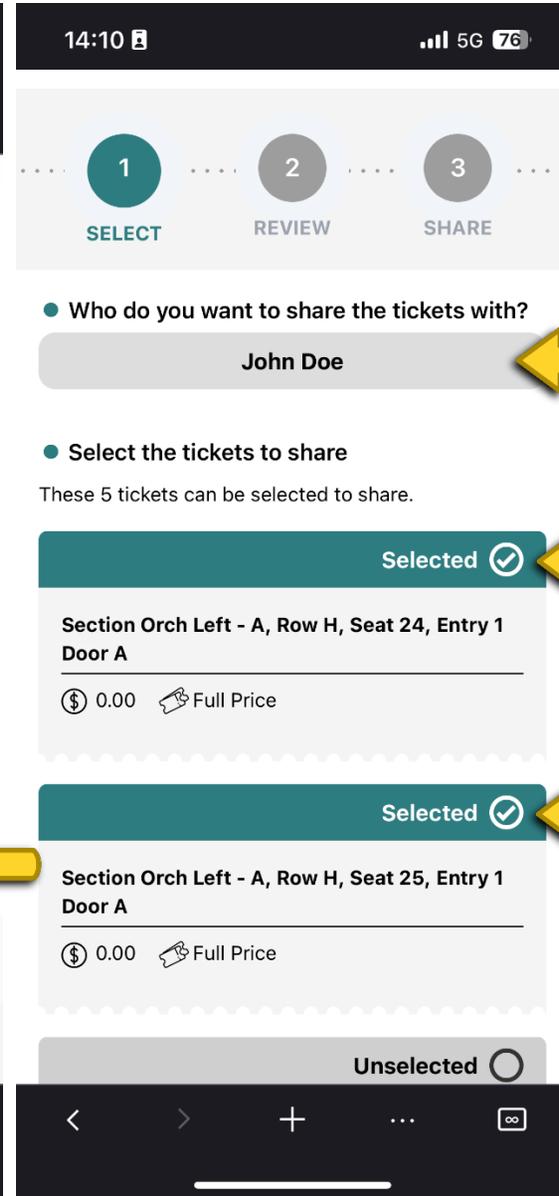

Tap your event.

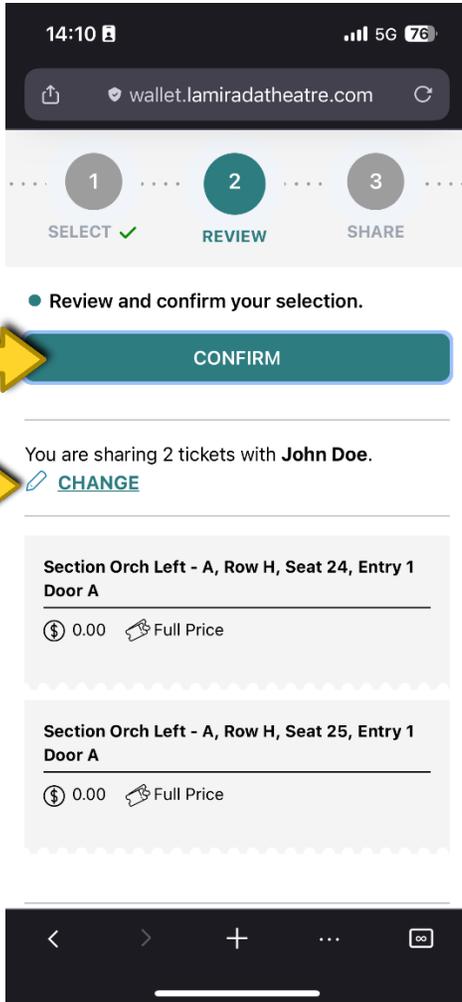

Scroll down and tap "Share".

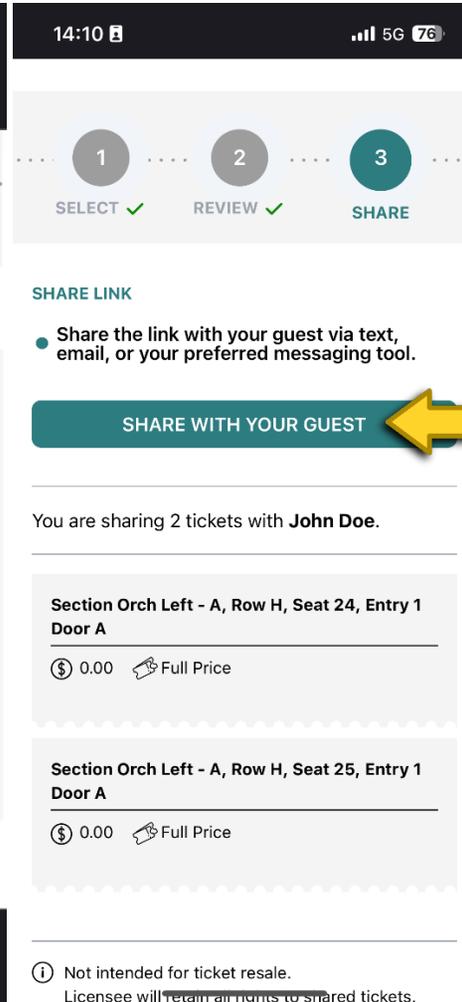

Type the full name of the person you are sharing the tickets with. Select the tickets you'd like to share with them. You may select some or all of the tickets.

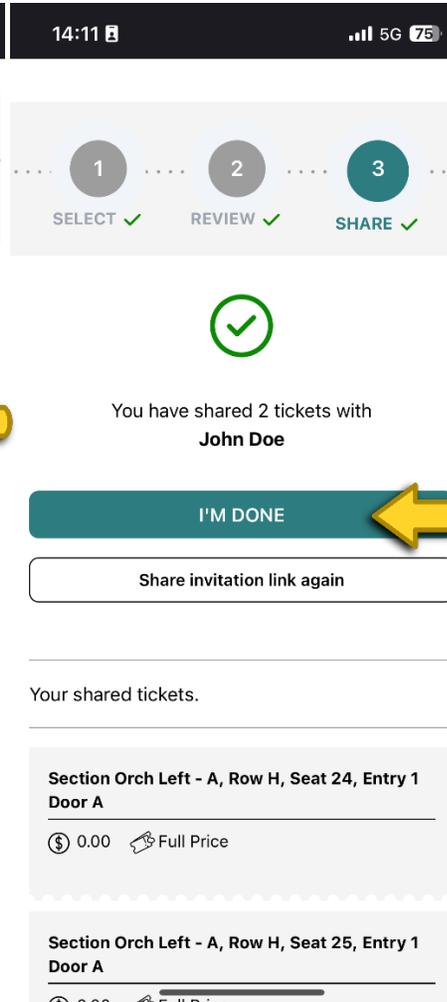

Confirm your selection by tapping "Confirm"
If you need to make an edit tap "Change"

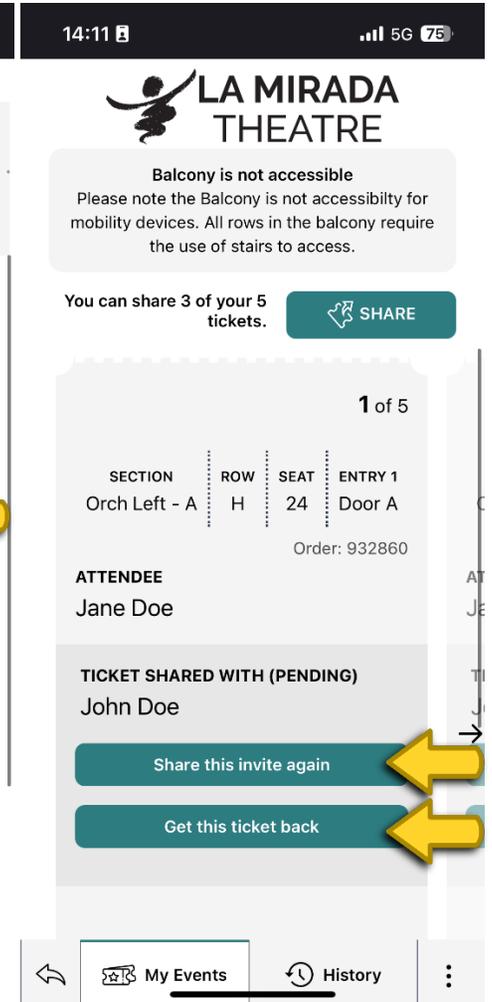

Tap "Share with your Guest"
A dialog box will open with different sharing options (text, email, etc)
Share the link with your guest.

After sharing, tap "I'm Done"
If your guest did not receive the invite you can tap "Share Invitation Link again" to share the link with your guest again.

Your ticket(s) will now include the status message "Ticket Shared with" and the name of your guest. "Pending" indicates the ticket has not been accepted yet. "Accepted" indicates the ticket has been accepted.
You may share the invite again or get the ticket back if they cannot attend.

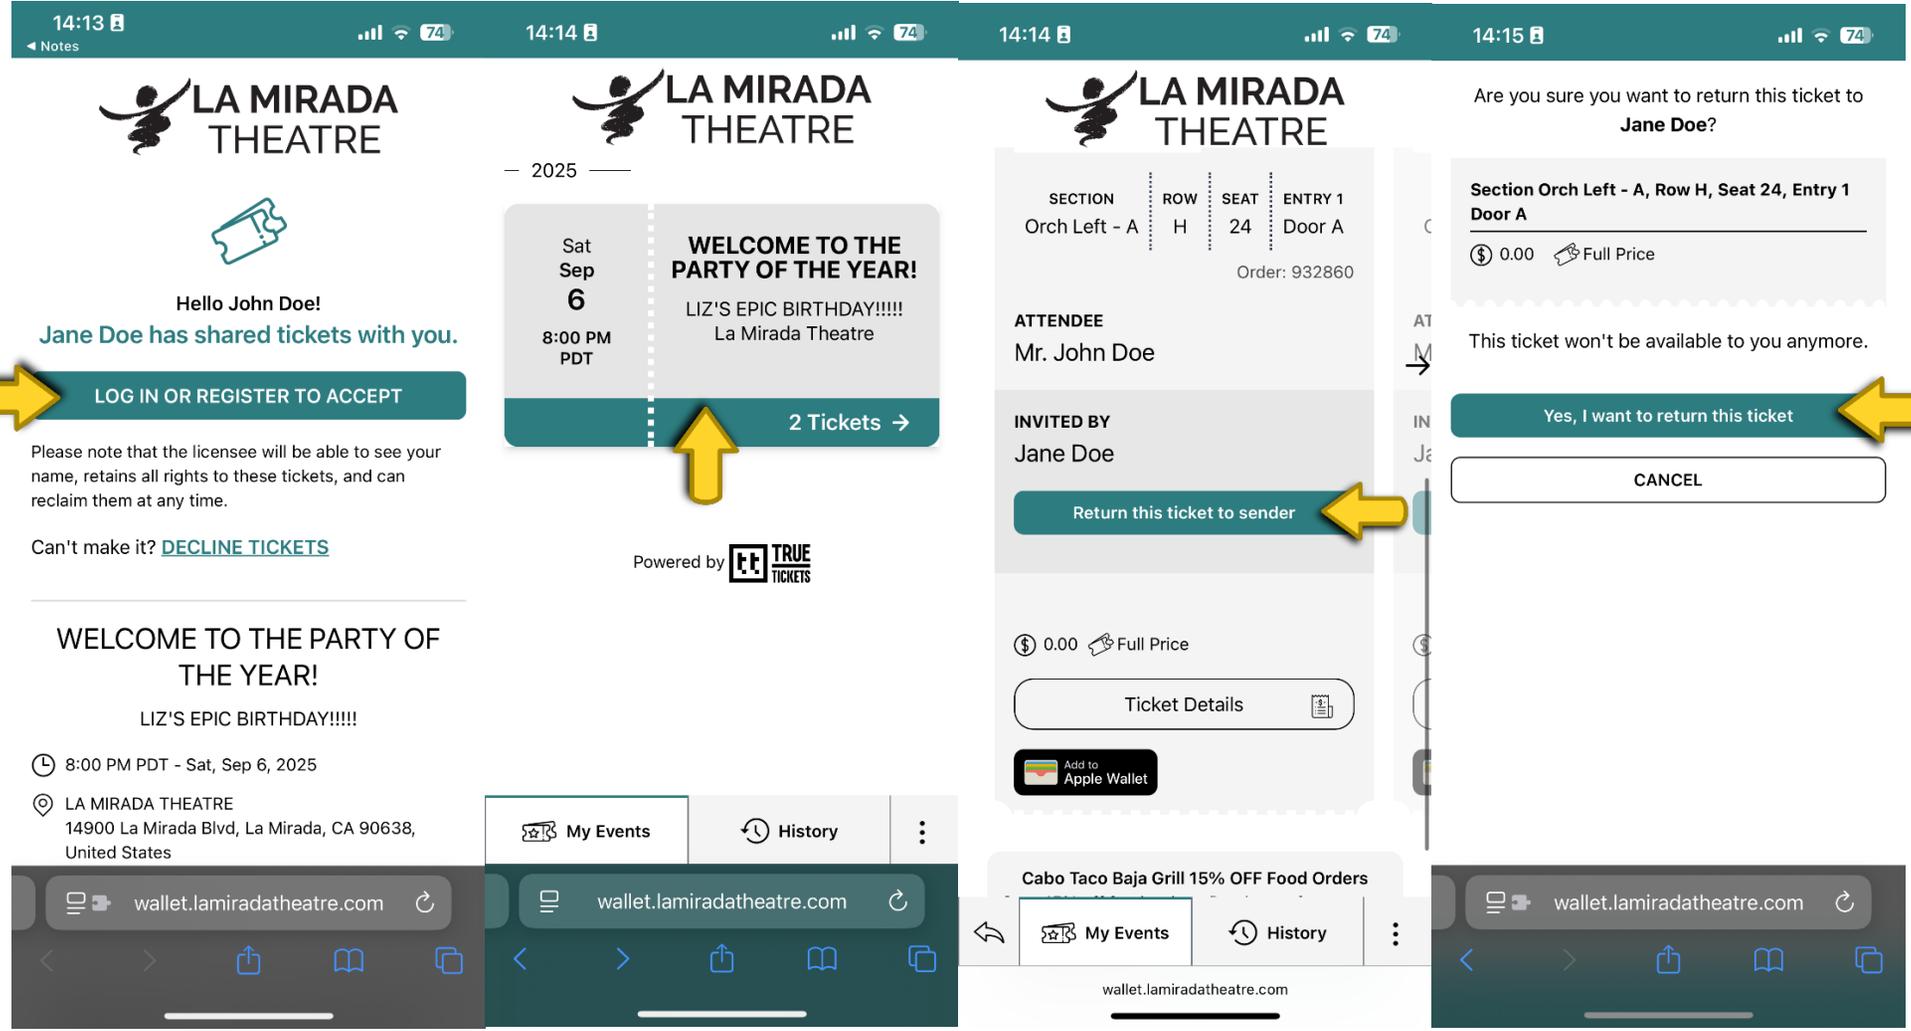

Receiving and Returning a Ticket

Tap the link you received from your friend.
 Tap "Log in or register to accept"
 If you do not want to accept the tickets tap
 "Decline Tickets"

After registering or logging in the event
 appears in your wallet. Tap the wallet to
 view the tickets.

If you can no longer attend the
 event you can return the
 ticket(s) to your friend.
 Swipe to select the ticket(s) to
 return
 Tap "Return this ticket to sender"

Confirm the ticket information is correct and
 tap "Yes, I want to return this ticket"
 Caution: You will no longer have access to the
 ticket after tapping this button

Please note that the licensee will be able to see your name, retains all rights to these tickets, and can reclaim them at any time.
